# Financial Assistance Scholarship

The Learn to Sail Program has set up a Scholarship Fund to encourage financially disadvantaged children to participate in the Summer Kids Programs by assisting with the payment of enrollment fees. Full payment of fees is not usually possible because of limited funds and the belief that each child should contribute something towards this very exciting and rewarding summer experience. Parents/Guardians needing assistance should complete the application form found on this web site and forward it to the Learn To Sail Director at the DCYC office by fax (604 924 3270), by mail (4420 Gallant Avenue, North Vancouver BC, V7G 1L2) or by email ([learntosaildirector@deepcoveyc.com](mailto:learntosaildirector@deepcoveyc.com)).

Early submittal is encouraged to help process the limited funds. Applications will be reviewed for approval by the DCYC Learn to Sail Standing Committee who will inform the family of the decision and reserve a space in the desired program pending receipt of the required partial payment.

This application requires the endorsement of a Sponsor who is familiar with the social and financial situation of the family and the desire of the child to participate in the program. A Sponsor can be a DCYC Member, a Social Worker, a School Principal, a Church Leader or other person whose judgment is reliable.

The Learn to Sail Director would be happy to discuss this program with you and answer any relevant questions.
